The Mink Farm Tavern was founded in 1936 by Harold Christensen on the mink farm property that was owned by his brothers Elmer and Jennings Christensen. Texaco gas pumps were a fixture of the location during those days, and living quarters were added to the rear of the small tavern in 1948. Harold's son Butch took over management of the business in the early 1960's and ran the family business for 40 years.

Many changes to the property has occurred in the years that followed including the addition of upper living quarters, expanded bar area, kitchen, and rear parking.

I am proud to be the current proprietor of the Mink Farm Tavern and look forward to serving the Cambridge community.

Thank you for your patronage and I hope your experience is a pleasurable one.
